

We're committed to inclusiveness.

As a full-service community bank in New Hampshire, Piscataqua Savings Bank believes everyone deserves the same online experience

Piscataqua Savings Bank is committed to providing a website that is as accessible as our branch in Portsmouth, NH. We have implemented the recommendations of the [Web Content Accessibility Guidelines](#) (WCAG) as published by the [Web Accessibility Initiative](#) (WAI) of the [World Wide Web Consortium](#) (W3C). There is no definitive test nor certification of conformance to Level AA of the WCAG, but we have used a variety of methods for assessing accessibility. If you find a part of the site that you feel does not conform to Level AA of the WCAG, please use one of the methods below to let us know so that we can rectify it.

Piscataqua Savings Bank strives to make every page accessible to users but cannot guarantee that every page is Level AA compliant

Piscataqua Savings Bank has used WCAG guidelines for compliance as suggested by the Department of Justice.

Though some of the compliance found in WCAG conforms with 508 Compliance, we are not 508 Compliant.

Piscataqua Savings Bank chose to use WCAG for compliance because they are determined by the W3C, the consortium that makes all guidelines for the Internet, worldwide.
